GAP ANALYSIS (SWOT ANALYSIS) OF AHMEDABAD

Strengths	Weakness
<ul style="list-style-type: none"> ✓ Geographically centrally located with better access by transport facility ✓ High education institution ✓ High education facilities and multi dimensional industrial development. ✓ Super specialised hospitals and private health facilities. 	<ul style="list-style-type: none"> ✓ Main key post of district like CDHO, RCHO, DTO, DLO, QAMO are vacant since long. ✓ Illiteracy more in women. ✓ Migration, Poor Sanitation, Scattered Population ✓ Low community awareness ✓ Traditional Beliefs
Opportunities	Threats
<ul style="list-style-type: none"> ✓ Well-developed city Better usage of the resources (Man, Money, Materials, Machine, and Market). ✓ Administrative officers are cooperative with innovative ideas. ✓ Various State and Central schemes (CY, BSY, KPSY, RSBY, MA, JSYetc.) ✓ Modification of current reporting system with ease of analysis. ✓ NGO's Involvement and Medical Tourism 	<ul style="list-style-type: none"> ✓ Migration ✓ Poor sanitation. ✓ Inequality as both the extremes like well developed Daskroi and hard to reach Dhandhuka and Dholera Taluka.
